

French And British Troops Widen Suez Beachhead And Egypt Cries For Volunteers

LONDON (AP) — British — French ground units poured ashore on a widening Suez beachhead today. They headed south from Port Said in defiance of Soviet demands for an end to hostilities against Egypt.

British armored forces went into action below Port Said, the combined headquarters on Cyprus announced, and tank-supported assaults "have gone well." French parachute troops captured the town of Port Fuad, across the canal. Other French forces were reported advancing south on the causeway from Port Said.

Egypt cried for volunteers from other nations.

Radio Cairo announced Saudi Arabia has sent troops into Jordan in support of Egypt. Other Arab troops from Iraq and Syria, have been reported massing in Jordan, on Israel's eastern flank, but they have launched no attack.

"Slay Paratroopers" The Cairo newspaper Al Shaab exhorted its readers to slay parachute troops before they land.

"Kill him immediately and take his arms," it said. "The parachute trooper cannot defend himself while he is landing."

As the continuing fighting in the Middle East brought new international tensions, Switzerland proposed that the Big Four and India hold a summit conference to avert a third world war.

Britain and France threw their ground forces into action in Egypt to back up their parachute troops that opened the invasion of the canal area early yesterday. The landings at dawn were the first seaborne assault in the day-old invasion.

Commandos in Port Said Britain commandos punched into Port Said to join the fighting that broke out again last night after local-level surrender talks were broken off.

French forces went ashore at Port Fuad, the canal point opposite Port Said. A French Defense Ministry spokesman said French troops had moved on to the southern edges of Port Said, possibly indicating an early link up of the two drives.

Egyptian military headquarters in Cairo said British and French troops were being landed by sea and air at Port Said and reported the population "is fighting heroically in the streets." The statement added that the "situation is under control and morale is high."

Appeals To World Egypt's government radio declared the Moscow radio had interrupted a broadcast to say the Soviet Union "reserves the right to act alone" in order to halt "aggression against Egypt."

Bulletins

WASHINGTON (AP) — Egypt appealed urgently to the United States today "for help by volunteers, arms or otherwise" to aid in her battle against British and French forces.

The Egyptian government in Cairo earlier had made a similar general appeal to "those who all over the world care still for the dignity of man and the rule of law in international relations."

UNITED NATIONS, N. Y. (AP) — U. N. Secretary General Dag Hammarskjöld announced today that Britain and France had agreed to a cease-fire effective at 7 p. m. EST, tonight.

This was announced at a specially called news conference at noon.

Hammarskjöld read a letter from the British delegation saying Britain accepted the cease-fire on condition that Egypt and Israel do also.

Kiwanians Told Of Political Campaigns

Mrs. Gladys Rebert, McKnightstown, a school teacher for 39 years, was the guest speaker for the Gettysburg Kiwanis club at its weekly dinner meeting Monday evening at Bankert's Restaurant. Her subject was "A History of Presidential Campaigns."

Mrs. Rebert told of campaigns she can recall and said: "Other nations cannot understand that on Election Day we are Republicans and Democrats and the day after election we are Americans."

Mark E. Gingrich of the Gettysburg Monumental Works and Richard A. Kershner of the Wolf Supply Company were installed as new members of the club.

Charles Graham, club president, presided at the meeting with 15 members and guests present.

COL. WILLIAMS TO BE VETERANS' DAY SPEAKER

Lt. Col. Don G. Williams, professor of air military science and tactics at Gettysburg College, will be the speaker Monday at the annual Veterans' Day program to be held at Gettysburg High School under sponsorship of the Albert J. Lentz Post of the American Legion.

Reports at the Legion meeting Monday night showed the program at the high school will be held in the auditorium there at 1 o'clock next Monday afternoon. Commanders John A. MacPhail and other officials of the post and members of the Honor Guard will also take part in the program.

Plans were outlined for participation by the Albert J. Lentz Legion Post in the joint Veterans' Day program next Sunday sponsored by Post 15 of the Veterans of Foreign Wars.

Service And Parade

The plans include a memorial service at 11 o'clock next Sunday morning, followed by a parade through the town at 3 o'clock and a speaking program at 4 o'clock Sunday afternoon. Commander MacPhail and the Honor Guard will represent the post officially at the various programs. All members of the Legion are urged to attend the services.

Pamphlets on veterans' legislation provided by Congressman James Quigley were distributed. Discussion centered on Public Law 634 which provides educational assistance to children of veterans of World War I, II or Korea who died from a service-connected disability. Monthly payments for children between ages 18 and 23 range from \$110 for full-time training to \$80 for three-quarters and \$50 for half-time training over a limit of 36 months.

Membership was reported at 275. Adjutant William T. Timmins Jr. reminded that members who pay before midnight, November 30, can "save the post a quarter." December 1 national American Legion dues will be increased by 25 cents.

Accept Five Members

New members accepted Monday night were Joel N. Tanner, East Berlin R. 1; Russell H. A. Fissel, East Berlin; Sherman Eisenhart, East Berlin; Mark E. Gingrich, 17 N. Washington St., and John H. Fullerton, Gettysburg R. 3.

The membership of Robert F. Storm, Gettysburg R. 5, was transferred from the Hanover American Legion Post to the local post, while the membership of Robert M. Bixler was transferred from the Gettysburg Post to the Hanover Post.

LICENSED TO WED

Lloyd Harold Sites Jr., Fairfield, and Miss Geraldine Frances Topper, Emmitsburg, have obtained a marriage license in Frederick.

Mrs. Evelyn R. Brown, 207 Chambersburg St., didn't need her correct feature game point forecast of 32 to win first prize in the sixth weekly football contest conducted by The Gettysburg Times and 20 cooperating merchants and lodges last week, being the only contestant having 16 correct selections. The feature game score was Gettysburg 32, Scranton 0, \$2.50.

Mary K. Rudisill, R. 3, took second honors with 15 correct selections and a total feature score of 35.

More Games Listed Today

The third place honors go to Sterling Kint, Biglerville, who also correctly named 15 winners but had a feature score of 36.

Two other contestants selected 15

winners but their point totals were 39 and 52.

Correct selections by other entrants followed: 20, 14 correct; 31, 13; 46, 12; 48, 11; 35, 10; 16, nine; 24, eight; six, seven; three, six.

Each week the cooperating merchants offer a total of \$25 in merchandise certificates as follows: First, \$15; second, \$7.50, and third, \$2.50.

Entry blanks may be secured from any of these participating and must be submitted to the offices of The Gettysburg Times not later than Friday at 5 p. m.

Games for this week's contest are listed on a full page of advertisements elsewhere in today's edition of The Gettysburg Times.

MANSLAUGHTER INDICTMENT IS RETURNED HERE

The Adams County grand jury returned 13 true bills Monday afternoon, bringing to 19 the number of indictments handed up during the day.

Actually the number of true bills was much larger than 19, but 64 of them were contained in one blanket indictment against Ronald W. Yarmark, Aspers; Howard L. Miller, Gettysburg R. 4; William Joseph Cullison, Gettysburg R. 3, and Ralph Vernon Thompson, Fourth St. The jury marked every one of the 17 counts of the four indictments, one against each but combined into one, with "It is a true bill." The charges of burglary, larceny, etc., rose from the removal of a repossessed car from the Epley Garage.

The jury began its deliberation Monday morning at 10 o'clock and finished about 5:55 o'clock Monday evening. Because of the lateness of the hour the jury was not asked to make the usual inspection of the county home, jail and courthouse.

Indicted For Manslaughter Felipe Malvae Serrano, Gardner R. 1, was indicted on a murder charge. Joseph Melvin Condon, Emmitsburg R. 3, was indicted on a charge of involuntary manslaughter.

True bills were handed up on a three-count moral charge against Glenn Gerald Mathews, McSherrystown, and on a three-count moral charge against LeRoy E. Wolf, Hanover R. 5.

Other indictment included: Joseph V. Watson, Mercersburg, non-support of a child; Dolores Shultz Pierce, 53 Breckenridge St., aiding and assisting a prisoner to escape; Frederic D. LeCone, Spring Grove R. 1, operating a motor vehicle after suspension; Columbus Jenkins, Fairfield R. 1, two charges of forgery; Harold R. Baltzley, Aspers R. 1, interfering with the sheriff in the performance of his official duties; Francis Joseph Tankosic, 440 S. Washington St., contributing to the delinquency of juveniles; Eugene H. Guise, 48 Breckenridge St., contributing to the delinquency of minors.

With the large number of criminal cases scheduled for November term, plus a large number of civil cases also scheduled, Judge W. C. Sheely announced that Judge Dale Shughart, of Carlisle, has been named to assist with the November term of court here. Judge Shughart will be present November 13, with three cases listed to be heard by him:

The action in trespass brought by Norman W. Keeney Jr. against Paul M. Klunk; the assumpsit action of Roy E. Coldsmith, Inc., against U. H. Mecke and the trespass action of Elizabeth K. Hilty against James Harry McIntyre.

Trial of cases in the November term will begin next Tuesday. Court normally begins its sessions on a Monday, but the Monday observance of Veterans' Day delayed the beginning date.

Reports Sewer Flooding Gettysburg Construction Co. wrote council it plans to turn over to the borough, at the next meeting of council, a deed for the 800 block of Johns Ave. between Culp and King Sts.

Councilman Donald Rebert reported the sanitary sewer system has been flooded in some sections during heavy rains by the practice of opening the sewer connections in the basements of new homes as soon as the excavation is made for the basement of the structure. As a result, Rebert said, heavy rainfall flows into the uncompleted basement and into the open drain and sometimes floods the sewer. The matter was referred to the Municipal Authority.

Final notices were ordered sent directing that sidewalks be placed at the Amos Welker and Shindler properties on W. Middle St.

Treasurer's Report Councilman Mahlon P. Hartzell reported water flowing "down Hartzell alley" and a "water hole" on E. Broadway in front of the Lester Johnson property. Borough Engineer LeRoy H. Winebrenner promised to "check tomorrow."

The report of Treasurer John H. Bashore showed the town had income of \$11,121.37 last month and spent \$11,307.31. The borough started October with a balance of \$30,071.49 and ended the month with a balance of \$29,885.55. Expenditures so far this year total \$108,265.50.

Income during the month included \$2,723 from the parking meters, \$2,116.44 from Burgess William G. Weaver, \$3,730.11 from county aid and \$2,506.82 from Tax Collector J. Herbert Welkert. Other

CONCERT AT HANOVER Gettysburg Concert Association memberships will be honored at a concert Wednesday night at St. Joseph's Catholic School Auditorium, Hanover, at 8:30 o'clock when Christina Cardillo, soprano, will sing. The concert was originally scheduled to be held in the Hanover High School.

J. Lin Huber, director of District 26 of the cooperative, will be the speaker of the evening. Entertainment will include selection by the Girls' Sextette of Biglerville High School.

BLIMP PASSES TOWN Some Gettysburg residents had a scare Monday evening when a large blimp moving at low altitude passed over the town at approximately 10:30 p. m. The aircraft seemed certain to hit the taller buildings as it moved along in its flight with only its shape and lights visible.

Guesses were that the ship may have been forced off its course by winds.

Lions Plan Sale To Boost Charity Fund The Gettysburg Lions Club was divided into three teams Monday evening for the next money raising project for its Charity Fund, a sale of fruit cakes before the holidays. The cakes will be distributed next Monday evening after the club meeting.

The three teams are headed by the club's three vice presidents, Donald V. Ulrich, John C. Stahle and Douglas W. Smith.

President Eugene R. Hartman presided at the meeting at the Shetter House with 91 Lions and guests in attendance. The club was shown a color film of the 1956 Lions International convention in Miami last June. A meeting of the board of directors followed the regular club session. The directors voted \$10 to the overseas Christmas gift fund of the Red Cross.

COUNCIL NAMES SMITH TO "REC" BOARD MONDAY Douglas W. Smith was renamed by Gettysburg borough council at its meeting Monday evening at the engine house to a second five-year term as a member of the board of directors of the Gettysburg Recreation Association. The appointment was made on recommendation of the Gettysburg School Board.

In a 30-minute meeting, council took official action only on three matters; the selection of Smith for the Recreation Board, decision to send final notice to two West Middle St. property owners ordering them to place sidewalks, and the payment of bills.

Earl Smith, Buford Ave. service station operator, urged council to allow an increase in the permitted gasoline storage at service stations from 8,000 to 12,000 gallons. Smith was told the matter was being studied by the Safety Committee headed by Glenn Guise and that council could take no action until it has a recommendation from that committee. The increase in storage capacity is being asked because of new gasoline coming onto the market.

President Eisenhower Is First Chief Executive To Cast Ballot In Adams County In Presidential Election; Votes In Cumberland Twp. At 11:17 O'Clock This Morning

Eisenhowers cast first Presidential Ballot in Adams County this morning.

The first President of the United States to cast a ballot in a Presidential election in Adams County voted in a Cumberland Township voting booth at 11:17 o'clock this morning. He was President Dwight D. Eisenhower. Accompanying him, and the first "First Lady" to cast a similar vote, was Mrs. Mamie Eisenhower.

The voting precinct, eighth on the county list, located in a field at the edge of town on the Biglerville Road, was spic and span for the historic occasion. The interior and exterior had been recently painted, and an oil heater heated the small 18 x 24-foot room to an uncomfortable degree. The slope that led from the highway to the voting house, a distance of about 30 feet, had been resurfaced with loose stone.

President and Mrs. Eisenhower left The White House at 9:10 o'clock this morning, about 40 minutes later than they previously had planned. An early morning conference with state department officials delayed the departure. The Chief Executive and his wife left in a nine-car caravan. The usual corps of Secret Service men accompanied them.

Friends With Party In the Presidential party were Major General Howard Snyder, the President's personal physician; George A. Allen, who has a farm a few miles south of here on the Emmitsburg Rd., a personal friend of the Eisenhowers; White House press secretary, James C. Hagerty; Sergeant Mooney, the President's valet, and who was a sergeant under General Eisenhower during the last war, and a number of other personal friends.

When the President's car arrived at the polling place the chauffeur had difficulty turning into the small area in front of the voting house because of the crowd. More than 500 swarmed all over the area and state police and Secret Service men had a hard time keeping the crowd under control.

Greeted By Shields The men, women and children, many of whom were kept out of school this morning so that they could see their President and the First Lady, crowded so close to the limousine that it was difficult to open the door to permit them to leave.

William I. Shields, chairman of the Adams County Republican Committee, was the first to greet and shake hands with the President. They chatted a minute or so and then the Secret Service men started to escort the distinguished couple to the voting house. The crowd cheered and many broke into song, singing "We Like Ike, We Like Ike." The President and Mamie beamed and waved their hands and kept repeating "Hello," "Thank you," "How are you?" and other salutations.

At 11:15 o'clock they entered the small, white frame building. Photographers snapped scores of pictures and the Eisenhowers moved to the table where sat the precinct workers. Bernard Miller, majority inspector, was the first to greet them. He checked their names in the registration book. The President's registration number is 40,321. Mrs. Eisenhower's is 40,322.

6 POWERS OFFER TO WATCH OVER "CEASE FIRE"

By WILLIAM N. OATIS
UNITED NATIONS, N. Y. (AP)—U. N. Secretary General Dag Hammarskjöld announced today that six countries had offered troops for an international police force to watch over a cease-fire in Egypt.

The six are Canada, Colombia, Denmark, Pakistan, Norway and Sweden.

In a report to the General Assembly, Hammarskjöld added that other countries were considering participation and he believed "it should be possible to meet quickly for at least the most basic need for personnel."

Some Are Barred
He estimated this at "a few units of battalion strength." Troops of the five "big power" members of the Security Council—the United States, the Soviet Union, Britain, France and Nationalist China—are barred from the force.

Hammarskjöld reported that the Assembly got set for a new Russian move on the Middle East fighting following Security Council refusal to support Moscow's proposal, that the United States join the Soviet in aiding Egypt against Britain, France and Israel.

The United States rejected the Russian proposal as "unthinkable." Chief U. S. Delegate Henry Cabot Lodge Jr. told the Council it "would convert Egypt into a still larger battlefield."

Hammarskjöld is rounding up the prospective force under a resolution the Assembly passed Sunday in emergency special session on the crisis touched off by military operations of Israel, Britain, and France against Egypt.

Asks For Plan
The Assembly asked him to submit a plan in 48 hours for a U. N. force "to secure and supervise the cessation of hostilities."

Hammarskjöld said the job of the force should be "to ensure a cease-fire is being established, to enter Egyptian territory with the consent of the Egyptian government, in order to help maintain quiet during and after the withdrawal of non-Egyptian troops."

He said the force presumably would range over the area from the Suez Canal to the Egyptian armistice demarcation line. Israel, however, has said she considers the armistice no longer in force and has given no indication she will get out of the Sinai Peninsula which she has occupied.

Headed By Canadian
The Assembly was expected to be called to meet later today to approve Hammarskjöld's report and consider a resolution on the setup of the force. It already has approved a resolution setting up a U. N. command—headed by Canadian Maj. Gen. E. L. M. Burns, present head of the U. N. truce supervision organization in Palestine.

Hammarskjöld said that in his view the Assembly could not station the force on the territory of any country without the government's consent. But he added that this did not exclude the possibility that the U. N. Security Council could use such a force to carry out its decisions.

Egypt agreed yesterday to accept a U. N. force. Hammarskjöld indicated he did not consider the consent of Britain, France and Israel necessary for sending the force to Egypt. Britain has said she will turn control over the Suez Canal to the police group once it is ready.

Hammarskjöld said the force should not be called to "enforce" a withdrawal of the non-Egyptian forces. Instead, he declared, its military functions should not exceed "those necessary to secure peaceful conditions" once all parties had agreed to cease-fire and withdrawal.

President

(Continued from Page 1)
enhower's is 40,323. Although they registered at the same time they are not listed in succession. The President's occupation is listed as "President of the United States" and Mrs. Eisenhower is a "housewife."

Gift From Raab
Herbert Raab, majority clerk, then had each sign a voting slip and each were handed a ballot. Raab pinned a white carnation on the President's lapel and a gold and rust chrysanthemum on Mamie's coat. The First Lady wore a small black hat, red suit and long black fur stole. The President was dressed in brown.

John H. Basehor, former chairman of the Adams County Republican Committee, explained to the Eisenhoweres about the election of a state senator to serve the unexpired term of Atty. Donald P. McPherson who resigned to accept the President's appointment to the Interstate Commerce Commission.

Polling Place Crowded
The Eisenhoweres were in the voting booth less than a minute. They emerged smiling and dropped their folded ballot in the large ballot box which was on the floor near the first of five booths. It was 11:17 a.m. Mrs. Eisenhower's ballot was number 319, the President's 320. At noon 377 persons had voted in Cumberland Township.

Flashbulbs burst by the score as photographers photographed the historic event. There was scarcely enough room in the voting house to turn around. A limited number of photographers and reporters were admitted and the rest of the space was taken up by those escorting the Eisenhoweres and a few others who managed to squeeze in. Mrs. Viola Harner was judge of election; Mrs. Virgil Hartman, minority inspector, and Mrs. Clarence Maring, minority clerk.

Long before the President left the White House at 9:10 o'clock this morning crowds started gathering at the polling place, Carlisle Street, a long section of the Biglerville Road, East and West Broadway, East and West Lincoln Avenue and most driveways were jammed with parked cars.

Lunch At Farm
Most of the photographers and reporters came to Gettysburg Monday afternoon and evening. Others came here this morning.

After voting the Eisenhoweres stepped out of the polling place into the throng of well-wishers and again had difficulty making way to their car. The crowd cheered and some sang.

Peoples were in trees and on top of automobiles. Mrs. J. B. Collins walked her kindergarten class to the area so that the youngsters could see the famous couple.

When the Eisenhoweres managed to reach their car they were whizzed away. The President was driven to the airport and he took a plane to Washington. Mrs. Eisenhower went to the farm.

Among those present was Walter Winchell, New York columnist, who at the very last minute edged his way into the polling place. When he emerged he was greeted by a woman who said: "Hello, Mr. Winchell." The New York' turned around and replied: "Hello, Mrs. America." I recognized you as soon as I saw you."

COLLECT \$737 FOR DYSTROPHY FUND IN TOWN

Gettysburg residents donated \$737.01 to the national Muscular Dystrophy Association Monday evening in a two-hour house-to-house canvass conducted by the Gettysburg Fire Department.

Raymond E. Menges, general chairman for the Muscular Dystrophy committee of the firemen, expressed the "deep appreciation of the fire department to the town for this splendid contribution. Firemen throughout the nation have been taking part in the March for Muscular Dystrophy over the last several years. This year the Gettysburg Fire Department decided to join in the program with the hope that the community would back us up in raising funds for research to find the cause and cure of this dread disease which usually attacks children."

Use Letters And Canisters
"We were more than pleased with the response, which exceeded our expectation. Just about everyone seen made a donation and the reception given the canvassers was excellent. We want to thank everyone."

In addition to the house-to-house solicitation, the firemen also plan to send letters to a number of individuals and business places asking donations and will place canisters in various stores for donations.

RESIDENTS ASK TOWN COUNCIL TO SAVE TREES

Ten New Oxford residents attended Monday evening's meeting of the New Oxford borough council at the town's fire hall, "in an effort to save the trees of the town in order to preserve the beauty of our community."

All of those who spoke urged council to "save the trees." A letter from the Garden Club was read which expressed the same opinion.

Councilmen held they are entirely "sympathetic with the idea of retaining the beauty of our town which is dominated by the trees." Councilmen held, "however, in overall planning other factors must also fall in their rightful place."

Damage By Pranksters
Among town residents attending the meeting were Charles E. Slaybaugh, Mr. and Mrs. D. E. Winebrenner III, Mr. and Mrs. H. B. Flaherty, William Snyder Jr., Arthur J. Cashman, Dr. Moses H. Baker, Mrs. Sarah Estep and R. W. Wolfe.

The property committee reported, according to the minutes of the meeting, "that a large urn, for many years a piece of art that adorned Center Square, has been broken by so-called pranksters. It is most unfortunate that an ornament which cannot be replaced was chosen by the vandals to satisfy their motive to destroy. It is reported that the urn cannot be repaired. We can hardly conceive of such a thoughtless person in a civilized society, nor even with so little civic or personal pride. No conclusive evidence has yet been disclosed as to the guilty party, but leads are being pursued."

Town residents were reminded by council that those who burn leaves on the streets are violating a borough ordinance. The burning destroys the base of streets which contain oil or tar, council said.

Order Speed Limit Signs
Treasurer Acker reported income of \$5,996.94 and disbursements of \$3,682.05, leaving a balance of \$2,314.89.

Bills totalling \$719.92 from the general fund and \$930.60 from the water fund were ordered paid.

Reports showed repairs to the Kohler Mill Rd. have been started and plans are being made for curbing the street. Council ordered eight 20-mile speed limit signs and four school signs. Council voted to purchase a Wallace and Tiernan Dry Chemical Feeder at a cost of \$835 to replace the present machine owned by the borough which "is in a very bad state of repairs and has been in use for a long time."

President Fred G. Klunk presided at the meeting.

COUNCIL NAMES

(Continued from Page 1)
income came from fines collected by the justices of the peace and court.

Other Monthly Reports
Expenditures so far this year include \$42,000.90 for highways, \$38,113.34 for protection to person and property, \$10,203.17 for general government, \$2,523.11 for health and sanitation, \$6,243.88 - miscellaneous and \$7,581.10 for lights.

Burgess Weaver's reports showed \$204 from parking fines, \$71 for 12 building permits, \$1,353.25 for 30 digging permits, \$406.19 theater tax, \$5 theater license, \$75 for four garbage collection licenses and \$2 for a telephone refund.

The fire department report submitted by Chief Donald W. McSherry showed the firemen answered a false alarm in town and two calls out of town and made eight rescue and ambulance calls with the rescue truck.

The report of Chief of Police Bartlett showed 11 criminal and 16 traffic arrests were made during October; four auto accidents were investigated, 201 complaints were received and action was taken on all but six. Twenty-five escorts were provided and assistance was given other departments 34 times. Two wallets were reported lost and one recovered; two bicycles were reported lost and three recovered; two cars were stolen and two recovered.

BURY MISS ECKERT

Funeral services for Miss Margaret Augusta Eckert, New Oxford R. 1, who died at the home of her nephew and niece, Mr. and Mrs. Lloyd Eckert, New Oxford R. 1, Thursday afternoon, were held Sunday afternoon at 2 o'clock at the Fred F. Feiser Funeral Home in New Oxford with her pastor, the Rev. Archie C. Rohrbaugh, officiating. Interment was in the New Oxford Cemetery. The pallbearers were: Oliver Wehler, Bernard Noel, John Kerns, Clarence Kerns, William Senft and Ira Keach.

IKE AND MAMIE THREAT OF WAR TO GET RETURNS AT WHITE HOUSE AS AMERICANS START TO POLLS

By MARVIN L. ARROWSMITH

WASHINGTON — President Eisenhower rested his second-term case with the nation's voters today after sounding an election eve pledge to "keep working" for enduring world peace.

The Eisenhowers planned to return to Washington immediately after voting at Gettysburg. Tonight they will get early election returns at the White House.

Later they will go to Republican National Committee election headquarters at the Sheraton-Park Hotel. Eisenhower plans an appearance there "when the returns warrant," as the White House put it.

Last night the President made two brief talks from the White House — one to a Boston rally over a closed television circuit. The other was at the close of a nationwide GOP TV program.

He told the Boston audience that "the great objective of all true Americans remains world peace." He added that "in recent days we have had many crises that have tested our readiness to stand by principle."

He said the hearts of all Americans "have gone out to the people of Poland and to Hungary, and we shall give them the promise, not only that we shall never forget them and hold them dear in our hearts, but we have made offers of economic help — food, clothing, shelter, medicines — which we sincerely hope they may be able to accept."

Then he added: "So, alive to the needs of people, we shall keep working for the kind of peace we have always promised you — one that all the world can participate in."

In his second talk, he said that "no single nation can have peace unless all travel the road of peace."

That talk, with Mrs. Eisenhower and Vice President and Mrs. Nixon also on hand, came at the end of a TV program which gave the President a look at GOP election eve rallies around the country.

With "We like Ike" chants sounding in the background, voters told why they had decided to vote for Eisenhower's re-election.

Eisenhower told his Boston audience he looks on the record of his administration as "a very good one." But he said, "There is so much yet to be done . . . there is so much to do . . . many things yet unfinished."

UNION VESPER SERVICE HELD

"Christ Has Confidence In Us" was the theme of the message delivered by the Rev. Porter W. Seiwel, pastor of Redeemer's Evangelical and Reformed Church, at union vesper service on Sunday evening in St. Paul's Lutheran Church. The worship was in charge of the host pastor, the Rev. David S. Kammerer, who read the Scripture, offered prayer and made the introductions and announcements. The Rev. Mr. Seiwel gave the offertory prayer. An anthem was sung by St. Paul's Senior Choir, directed by L. Robert Snyder, and accompanied on the organ by Mrs. Winfield A. Lippy, who presided at the console throughout the service. The well attended worship concluded with the benediction pronounced by the Rev. Mr. Seiwel.

There will be no union service next Sunday evening, due to the annual Homecoming worship in Centenary Methodist Church, to which the public is invited. The date and place for the next union service will be announced by the Littlestown Ministerium, the sponsoring organization.

Reds Appeal To Rebels
But the insurgents were on the air again too, from unlocated points inside the country, begging the rebels not to surrender their arms, but to keep them hidden for future use against the Russians.

Information was scarce here on the situation within the Hungarian army, much of whose stores appeared to have been handed over to rebel forces. From the reports reaching here it seemed the Russians and the Kadar government looked upon a large section of the Hungarian army as unreliable.

There is a severe shortage of food, fuel, building materials, drugs and other necessities in Budapest, and the Kadar regime broadcast an appeal to the "friendly - Socialist - Communist countries" to send in stores.

that every piece of scientific evidence we have, every lesson of history and experience, indicates that a Republican victory tomorrow would mean that Richard M. Nixon would be president of this country within the next four years.

"I say frankly . . . that I recoil at the prospect."

Eisenhower's press secretary, James C. Hagerty commented in Washington:

Scores Stevenson
"I never thought that I would live to hear any American, particularly a candidate for the highest office in our country, give as the reason for his own election a forecast that the President of the United States would die in office."

"I sincerely hope that Mr. Stevenson will have as long and healthy a life ahead of him as will the President of the United States."

"FED UP," HE'LL VOTE FOR GOP

WARREN, Pa. (AP) — William O. Tingwall, a Warren mechanic, says he is "fed up" with the Democrats and will vote the straight Republican ticket in today's election.

Ordinarily, such a statement would cause hardly a ripple. But Tingwall's is a different situation—he's the Democratic candidate for the State House of Representatives from Warren County.

Furthermore, Tingwall said he wouldn't serve in the legislature even if he was elected.

"I'm through with the Democrats," said Tingwall who was unopposed for the nomination in the April primary. He would not elaborate.

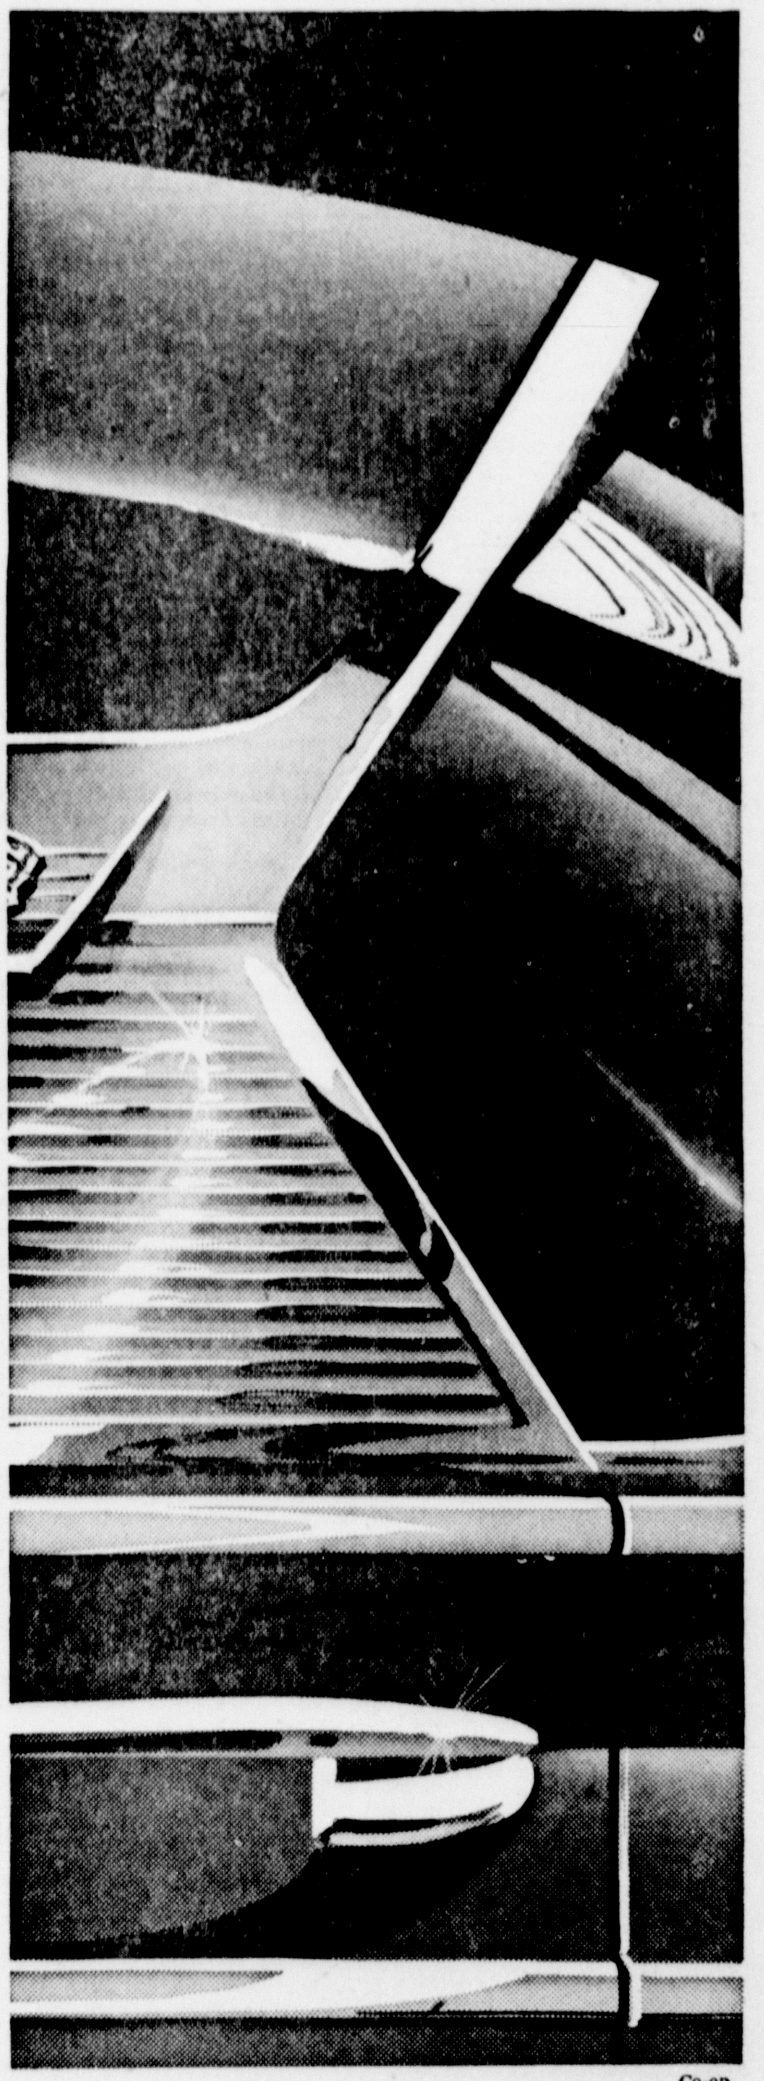

Opposing Tingwall is Assemblyman Allen M. Gibson, who also is Warren County Republican chairman. The GOP has a 3-1 registration edge in the county.

FIFTY YEARS AGO

Beautiful Wedding At Fairfield:
On Thursday evening the home of Maurice E. Sheffer was the scene of a very pretty wedding when their daughter, Mary Elizabeth, became the wife of D. Roy Stoops.

Promptly at 8 o'clock the bride party entered the parlor to the strains of Mendelssohn's Wedding March and were met under the beautiful evergreen arch banked with palms by the officiating minister, Rev. Ritter, assisted by Rev. Rinewald.

During the ceremony the organist, Mrs. Aaron Musselman, played "O Promise Me."

The bridal party was composed of Miss Iva Sheffer, sister of the bride, and Miss Kefauver, of Middletown, Md., escorted by Wm. Musselman and G. B. King. The flower girls were Misses Kathleen Crawford and Mayburt Musselman and the ushers were R. S. Reindollar and R. C. Polley.

The bride was attired in a Princess costume of Peau du chene trimmed with embroidery, lace and insertion and wore a tulle veil caught by lilies of the valley. White chrysanthemums were carried by the bride. The bride's maids wore gowns of white lingerie trimmed with val lace and insertion and carried pink carnations.

After the ceremony the bridal party proceeded to a most festively decorated dining room where refreshments were daintily served to about one hundred and fifty guests. The bride was the recipient of many beautiful and useful gifts.

Wedding Bells: Martin-Ketner: James E. Martin, son of Mr. and Mrs. Jerome Martin, of this place was united in marriage last Thursday evening at 8:30 o'clock to Miss Martha J. Ketner, of Altoona.

The marriage took place in Harrisburg and was performed by Rev. Father Steffy. After the ceremony a supper was served to the immediate relatives at the home of Mr. and Mrs. Harry Althoff, a sister of the groom.

Fisher-Felix: Miss Dessie M. Felix, youngest daughter of Mr. and Mrs. John Felix, of this place, was united in marriage on October 31st, to John R. Fisher, of Philadelphia. The wedding occurred at Camden, New Jersey.

Halloween: Halloween was celebrated in this place in about the usual manner. A considerable amount of corn was thrown by the younger folks. A few old vehicles were moved from their accustomed places to distant points, but little damage was done.

Two cows, one red, the other black, belonging to residents of North Stratton St., were taken to college and whitewashed.

It is also reported that an organ was removed from the college to the observatory along the Mummaburg road.

Mr. Foutz Resigns: Adam Foutz, who for 31 consecutive years has been the head janitor at the college, resigned his position a few days ago. Mr. Foutz has been a faithful and trustworthy employee of the institution and his resignation, which was due to his advanced age, was accepted with regret on the part of the Board.

John Spangler, who for the past several years has been Mr. Foutz's assistant, takes the latter's place, and Harvey Bollinger succeeds Mr. Spangler.

Plug Blew Out; Brake Leg: While Charles Bream, of Bidlerville, was moving his hay packing outfit last Monday, the fire plug of the engine blew out at Heidlersburg, striking Mr. Bream on the leg and breaking it. The accident was caused by the water getting low in the boiler and consequently the plug was blown out.

Football: Gettysburg College football team won another game last Wednesday afternoon without half trying. The opposing team was from Mt. St. Mary's, Gettysburg, outplayed the visitors at every point and scored at will. The score, which has 52-0, could have

Today's Talk

IMPOSSIBLE — BUT DO IT!

Can any one of us gain a greater thrill than this one — to do something that we know we can do, but which people have said we couldn't do? Most of us experience just this, and then it is that we establish a kinship with the stars! It's always a pleasurable triumph.

The realm of the impossible keeps shrinking all the time. Comparatively, it was but a few years ago that Charles Lindbergh flew non-stop from New York to Paris. However, a plane made a non-stop flight across the United States in less than four hours; and cross-Atlantic trips are now routine. Planes are now flying as fast as sound — which is quite some speed! Could it be that some neighbor on Mars may be now wondering about what is doing on this Earth of ours?

What a fantastic dream television was but a few years ago! And the dreams ahead look even more impossible but they will come true, for there are always those who like to get joy out of doing what people say can't be done.

Dr. Jehl, the last man who was with Edison when he finally produced the electric light, once showed me through the old laboratory of Edison's, which Henry Ford created anew in his Greenfield Village at Dearborn, Michigan. He showed me dozens of "inventions" that Edison put his magic touch to — duplicating devices, telephones, typewriters, storage cells, the talking machine, the phonograph — and dozens of others. I dare say Edison got more down-right pleasure out of doing things that people would have said were impossible than any man who ever lived. But he kept making them possible!

If we use our eyes and ears, we never know when we may catch the spark that may suggest some possibility that others may merely look upon as impossible. I once had a most interesting talk with the author of "Brains and Personality," the eminent physician, Dr. William Hanna Thomson, whose death occurred soon after. This is what he wrote in his book which he presented to me: "It would be well for all persons, of both sexes, to pay greater attention to the many thoughts which are suggested to us as we tread our way through life."

Through will and alertness alone we may become fathers to the possible — which others only look upon as the impossible.

Tomorrow Mr. Adams will talk on the subject: "We live in Others" Protected, 1956, by the George Matthews Adams Service

ELECTION DAY
This day for free men planned.
Day of privilege for all.
May it be, throughout our land,
Calendared on every wall.

Years ago for us men fought,
Took the battle field and died
That this day of which they thought
Might become our nation's pride.

They were young and they were brave,
They were freedom's gallant
souls.
This one day for us they made,
When wide open are the polls.

Time to vote is ours to spare,
Putting all things aside;
Stand in line, remembering there,
For that privilege men died.

Undertown Operation: Mrs. Myers, wife of John P. Myers, postmaster at Hampton, undertook an operation in the removal of a large tumor Tuesday afternoon. The operation was performed at her home by Dr. Bacon, assisted by two other physicians from York, Dr. Hildebrand, of Biglerville, and Dr. Spitz, of Hampton. The operation was a success, but the patient, who has been confined to her bed for about six weeks, and was very weak, is in a critical condition and but slight hopes are entertained for her recovery.

ADLAI LEVELS FINAL BLASTS AT IKE, DICK

By ERNEST B. VACCARO
LIBERTYVILLE, Ill. (AP)—Adlai E. Stevenson votes today in a critical election in which he raised a question whether President Eisenhower can serve out another term in the White House.

He did so more strongly than ever last night when he declared a Republican victory would mean that Vice President Nixon "would probably be president of this country within the next four years."

That was in Boston, in a nationwide television program, on which he declared, in probably his strongest words on the health issue during the campaign:

"Dick Will Be President
"As distasteful as this matter is, I must say bluntly that every piece of scientific evidence we have, every lesson of history and experience, indicates that a Republican victory tomorrow would mean that Richard M. Nixon would probably be president of this country within the next four years."

In Washington, White House press secretary James C. Hagerly described Stevenson's comment on the President's health as "just about as bad a statement as I have ever heard in politics."

Stevenson also said that as "a citizen more than a candidate, I recoil at the prospect of Mr. Nixon as custodian of this nation's future, as guardian of the hydrogen bomb, as representative of America in the world, as commander-in-chief of the United States armed forces."

Has "Full Confidence"
"Distasteful as it is," Stevenson continued, "this is the truth, the central truth, about the most fateful decision the American people have to make."

And he said he had "full confidence in that decision."
He talked of domestic issues which he said dictated the election of the Democrats, but put more emphasis again on the war in the Middle East and Russian movements in Eastern Europe.

"Tonight," he said, "we have seen the culmination of the disastrous Eisenhower foreign policy in the Middle East — with the Communists now proposing that we go to war with them against Britain and France."

U. S. Policy Attacked
He spoke after the White House issued a statement saying that a proposal by Soviet Premier Bulganin for the United States to join with Russia in military intervention in Egypt — backed by the United Nations — was an "unthinkable suggestion."

America's foreign policy, Stevenson said, "is in disarray in all parts of the world. Our alliances are unravelling. NATO is disintegrating. Neutralism is spreading. We are helpless in Hungary's agony."

Our policy in the Middle East he said, "is in ruins, and has furthered the Soviet design to penetrate this strategic area, to the great damage of the cause of peace."

He said he regretted "what our friends have done" and he did not condone the British and French using force in Egypt. But he said he saw no hope for the Republican party — "split internally" — can "retrieve the tragic situation abroad."

Trains Jump Track; Upset 48 Cars Coal

HARRISBURG (AP) — Two Pennsylvania Railroad freight trains jumped the track between nearby Royall and Bainbridge on Sunday spilling about 48 cars of coal, coke and iron ore over the right of way.

Howard Woodhead, 38, Harrisburg R.D. 1, a flagman on one of the trains, was injured slightly and treated at Columbia Hospital in Lancaster County.

About 300 workmen were dispatched to the scene to clear the tracks and replace ties and rails, a job the railroad said would take "about two days."

The derailed cars broke the railroad's 11,000-volt overhead electrical system and its communication network.

A railroad spokesman said one train was headed north and the other south when one car of the southbound train apparently buckled and sideswiped the other train.

Friends Are Seeking Help For Suffering

PHILADELPHIA (AP)—The American Friends Service Committee has appealed for money and supplies to "relieve world suffering" in east Europe and the Middle East and a spokesman said "we must prepare to meet the needs that will continue through the winter."

Executive Secretary Lewis M. Hoskins said on Sunday the committee, an international Quaker relief organization, has already offered to send material aid to Hungary from its stocks stored in Vienna. Hoskins said he did not know whether the Russian invasion of that country would create any difficulty in getting the supplies to the Hungarian people.

Junior High Bows 14-12 At Chambersburg On Disputed Decision In Final Seconds

A very questionable official's decision in the final 26 seconds of play cost the Gettysburg Junior High School football team a South Penn Junior High League game at Chambersburg Monday evening 14-12.

The Braves had just held the Gladiators on the one-yard line to take possession in protecting their 12-7 margin. As the teams lined up for the ensuing play Chambersburg's linemen obviously charged before the ball was snapped. A fumble followed and to the amazement of coaches and fans from both sides the officials ignored the off-sides and ruled a touchdown as Ron Gelsinger, guard, fell on the ball in the end zone. Denny Shatzer plunged over for the point.

Hanover Gets Title

The bitter defeat eliminated Coach Ray Ellis' lads from the title picture as idle Hanover wrapped up its second straight championship. Late in the first period the Braves started a 76-yard touchdown drive. Dick Cluck plunging over from the one on the first play in the second quarter. Cluck gained 48 yards in the drive on runs of 32 and 15 yards. Cluck was stopped in his plunge for the point.

Chambersburg came back for its initial score after receiving the following kickoff. The Gladiators scored in eight plays but got a big lift on a 15-yard penalty against Gettysburg on a fourth down with 13 to go situation. Denny Shatzer ripped through the right side of the line from the one and Tom Wertz swept end for the extra point.

Gettysburg took the kickoff on its 40 and went 60 yards for a score. Cluck setting up the touchdown on a 37-yard scamper. Nicky Nichols fired a six-yard pass to Jimmy Townsend for the six-pointer. Townsend was stopped in his try for the point as the Braves led 12-7 at half time.

The third period was scoreless but Chambersburg pulled the game from the fire with late tally in the last period.

Fumble Hurts

Chambersburg gained possession in the fading moments on the Gettysburg 14 after recovering a fumble and then drove to the one where the Braves held after which the disputed play took place.

During the season the locals won three and lost three.

Play resumed Monday in the Recreation Association touchball leagues following a long layoff due to inclement weather.

In an American League game the league-leading Steelers edged the Bullets 6-2. In the first half the Bullets took a 2-0 lead when Robert Stokes tagged Ron Miller in the end zone for a safety. Later Gene Schultz intercepted a pass for the Steelers and raced back to the 3-yard line from where Bob Selvy went over for the winning touchdown.

The Giants topped the Warriors 12-7 in a National League game. Lynn Keifer raced 30 yards to the 10 to set up the Warrior score which came on a pass from Lynn Keifer to Tom Collins. Keifer skirted left end for the point.
--

Steve Olson of the Giants intercepted a pass by Keifer and raced 25 yards for a score. In the second half the Giants scored again. A pass, Olson to Eddie Ziegler, put the ball on the 2 and on the final down Olson just made it over at the corner of the field.

PENN STATE HAS FILM PROOF OF WRONG PENALTY

UNIVERSITY PARK, Pa. (AP) — Penn State football officials said Monday they have movie film proof the university's team was wrongly penalized on a crucial play in its loss to Syracuse, 13-9, Saturday.

The penalty not only deprived us of the ball and what opportunity remained to win the game," said Coach Rip Engle, "but much more important, the penalty and attending publicity subjected us to an embarrassment and ridicule which were manifestly unfair."

Penn State was penalized for making an illegal substitution late in the final period of the hard-fought contest. The situation was this:

15 Yard Penalty

Syracuse held the ball with 1:49 minutes to play on fourth down on its own 35 with 15 yards to go for a first down. Engle sent his star quarterback, Milt Plum, into the game. Syracuse challenged Plum's entry, contending it was the second time he entered the game in that period, contrary to rules.

The referees upheld the Syracuse claim and penalized State 15 yards, giving Syracuse a first down on the 50. There was no further scoring in the game.

Penn State athletic officials said movies of the game show that Plum did not enter the game a second time in the final period. They said the movies showed Plum started the quarter and played about 11 minutes, when he was taken out for a rest. He re-entered with a little less than two minutes of the game remaining.

A university spokesman said "we can show where Plum was on every play of the fourth quarter."

Wayne Bethea, who won a split decision over Howie Turner, gets a tentative Dec. 17 date in the same club with Zora Polley of Phoenix.

Turner, the loser, will be matched with Argentina's Alex Miteff, Dec. 10 at St. Nick's.

Wants Eddie Machen

Betha, a 24, a part-time shipping worker, has higher goals. Ranked No. 10 among the heavies, he wants to take on unbeaten Eddie Machen, highly ranked Californian.

It was close last night but Betha appeared to have a definite edge. Both judges Artie Aldala and Arthur Schwartz scored it 6-3-1 for Betha to referee Harry Ebbs had it for Turner 5-4-1.

The AP card was 6-3-1 for Betha. There were no knockdowns in this rematch of a 6-round draw in 1954 when both were pre-fight boxers. It was Turner's first 10 rounder. Except for a tendency to loaf, Turner made a good showing, especially when he switched to southpaw style in the seventh. Betha weighed 203, Turner 204½ pounds.

RED CHINA TEAM THIRD TO QUIT OLYMPIC GAMES

HONG KONG (AP) — Communist China announced today it had withdrawn its team from the Olympic games.

The decision brought to three the number of nations having pulled out of the games, scheduled to begin in Melbourne Nov. 22. Egypt and Iraq withdrew earlier. Israel, originally intending to send a 20-member squad, announced today it would send instead a skeleton team of three.

In addition, three nations—The Netherlands, Switzerland and Norway — are contemplating withdrawal in protest of Russian action in Hungary.

Chinese Nationals There

Only yesterday, Otto Mayer, chancellor of the International Olympic Committee, issued a plea from his headquarters in Lausanne that the games "must take place" whatever the world situation.

The Chinese Nationalists' team, accepted as a separate entry for competition by the IOC, has been in Melbourne for several days.

Peiping radio, heard here, said it is refusing to attend the games "because the International Olympic Committee persists in recognizing the Olympics committees of two Chinas and allows Taiwan (Formosa) to send a team to the games."

Johnny Bower of Providence took over goaltending honors. He has allowed 29 goals in 10 games for an average of 2.90.

Hershey's Don Cherry, with 33 minutes in the penalty box, is the league's bad man.

Collie Dog Tackles Halfback In Game

BALTIMORE (AP) — A collie dog "tackled" halfback Fred Colly yesterday and prevented a touchdown in a high school junior varsity football game.

Colly caught a pass from Mount St. Joseph's quarterback Tom Phoebeus on the Loyola 28 yard line in the second quarter and set sail for the goal line and an apparent sure six points.

Suddenly Colly (the boy) was upended 13 yards from the goal when a collie (the dog) ran between his legs. The referee ruled the ball dead.

Mount St. Joseph's did not score and lost the ball on downs, but managed to hang on for a 7-6 victory.

Ward, a 6-4, 205-pounder from Libertytown, Md., was named to the Associated Press All-East squad last season and, before the start of the present campaign, was named to the Saturday Evening Post Unsung All-American team.

Although a top-flight offensive performer, the big flanker excels on defense, and it has been his brilliant defensive plays that have drawn praise from the experts.

"Ward always seems to be at his best against the real good teams on our schedule," said head coach John Yovicsin. "In our recent 12-6 upset win over Lafayette he was terrific. He kept constant pressure on the Lafayette passers, on one play knocking the ball out of Lafayette quarterback Joe Bozik's hands. His defensive play was a big factor in our victory. Two seasons ago his pressure on the passer enabled us to beat Delaware, 14-13, and last year when we beat Lafayette, 15-14, his play that stopped a Leopard naked-reverse came at a crucial moment and probably turned the tide in our favor."

Ex-Paratrooper

Kempton, a rugged 6-2, 210-pounder from Clifton, N. J., is the kind of tackle that would make any coach smile with delight. He's a paratrooper veteran with combat experience in Korea, and his tremendous desire to play and mix it up is a throwback to the days when he was jumping out of airplanes.

Kempton, a junior, made the starting team as a sophomore and he keeps getting better each week. He already has been named to one of this year's Eastern College Athletic Conference's weekly All-East teams.

Harrell, a 5-10, 187-pound senior from Merrick, N. Y., probably is the most unsung member of the Gettysburg line. "He's not the flashy type," says Yovicsin, "but he comes as close to being a 60-minute performer as any member of our line. Because of his durability, we substitute very little for him. He's our best guard by far, and gets in more time than any other lineman on the team."

With Gettysburg leading Lafayette by a 15-14 score in the waning moments of the 1955 game, Harrell broke through and blocked a Lafayette field goal attempt to preserve the triumph for the Bullets.

Ward and Harrell also excel in other sports, with the latter being a Middle Atlantic Conference individual wrestling champion in his weight division. Ward is a member of the basketball and baseball teams.

Barons' Rookie Paces Ice Loop

NEW YORK (AP) — Rookie left-winger Bo Elik of the Cleveland Barons continued to pace the American Hockey League in scoring today but his lead was far from secure.

Elik came up with a three goal "hat trick" against Buffalo last Sunday to increase his point total to 17 fashioned from 12 goals, also the league's high, and five assists.

Paul Larivee of Providence was a close second with 15 points followed by Willie Marshall of Hershey with 14 and Larry Wilson of Buffalo with 13. Fred Glover of Cleveland and Arnie Kullman and Floyd Smith of Hershey each had 12.

Johnny Bower of Providence took over goaltending honors. He has allowed 29 goals in 10 games for an average of 2.90.

Hershey's Don Cherry, with 33 minutes in the penalty box, is the league's bad man.

3 LINEMEN IN TOP ROLES FOR BULLET SQUAD

The outstanding play of three Gettysburg linemen — end Bill Ward, tackle Al Kempton, and guard Jerry Harrell — has accounted for much of the recent success of the Bullet football team. The rugged three have projected themselves into the running for all-state honors by coming up with vital plays in Gettysburg victories over Albright, Western Maryland, Muhlenberg, Lafayette and Scranton.

Ward, a 6-4, 205-pounder from Libertytown, Md., was named to the Associated Press All-East squad last season and, before the start of the present campaign, was named to the Saturday Evening Post Unsung All-American team.

SAYS RUSSIANS ARE BLUFFING OR ARE MOVING CLOSE TO WAR

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP) — The Russians are either bluffing or moving the world close to war. They may be bluffing to divert attention from the barbarism of their attacks on Hungary.

Their language was not precise, but they seemed to have warned the British and French yesterday to get out of Egypt, which those two American allies attacked last week.

The White House issued a statement which in turn seemed to warn the Russians not to attack the French and British. But the White House statement wasn't precise either.

Three Signs Of Bluff
Three things make the Russian warning to the British and French like a bluff:

1. They made it just after their own troops opened fire on the Hungarians for revolting against their Communist masters.

2. They proposed the United States join Russia in attacking the American allies in Egypt. If the United States did that, it would have no big allies and Russia would dominate the world. As could be expected, the White House said this was "unthinkable."

3. The Russians made their proposal in a way they knew couldn't work. They said the United States and Russia should act together, "backed by the United Nations," and they took their proposal to the U. N. Security Council. They knew before hand it would be vetoed there, if not by the United States, then by Britain and France. The council wouldn't even consider it last night.

Uses Word Oppose
The White House statement was issued last night through press secretary James C. Hagerty, but not signed by President Eisenhower.

It said in part: "The introduction of new forces (into Egypt) would violate the U. N. Charter and it would be the duty of all United Nations members, including the United States, to oppose any such effort."

What wasn't clear in this statement was the use of the word "oppose." How would the United States "oppose" a Russian attack on the French and British? By attacking Russia or by making a speech in the U. N.? Eisenhower promised American forces would not be used in "these present hostilities" in Egypt.

Want To Dominate
The Russians have wanted to dominate the Middle East. They were making progress. But then they horrified Asians and Africans whom they most wanted to impress through their attack on Hungary.

The Asians and Africans, long suspicious of the colonial-minded British and French, were also horrified by their attack on Egypt. The men in the Kremlin may have proposed driving the French and British out of Egypt as a bid to win the favor they had lost throughout Asia and Africa.
